		Revision No.	1
		Issue No.	1
		Date	01-06-2020
<b>RULES AND REGULATIONS FOR USE OF CERTIFICATION MARK</b>			Page 1 of 4

All certificates issued by Eurosia remain the property of Eurosia and must be returned when requested. Certificate holders must ensure that no incorrect references to Eurosia certification system or misleading use of certificates or marks occur.

The Eurosia Registered Companies Logo is granted under license to those client companies who have obtained certification of their Quality/Environmental and Occupational Health & safety Management Systems, Information management system by Eurosia after successful assessment to the applicable standard of ISO 9001, 14001, 22000, 45001 & ISO27001 series

Where the Eurosia Registration Certificate has been issued under accreditation board, Accreditation body's logo is too used in combination with the Eurosia Registered companies' logo, as applicable.

**Eurosia's Logo**

Eurosia ITC Services Ltd Registered Companies Logo can be applied to stationery and publicity material that relates to the company's Scope of Registration. This can include brochures, product cards, advertisements, inspection certificates etc. Where the logo is used, the Certificate Registration number must also be clearly indicated.

The logo may only be reproduced in a single color which is unlimited, but where practical should conform to existing preprinted stationery, brochures, letterheads or other promotional materials of the Company.

### **Accreditation Logo**

The Accreditation Logo may only be used in combination with the Eurosia Registered companies Logo and is limited to stationery, literature and other written promotional materials. It cannot be applied to the product or packaging whether secondary or primary. Where the organization (the client) wishes to use any statement instead of using the symbols of the certification & accreditation bodies, the statement shall in no way imply that the product, process or service is certified by this means. The statement shall include reference to:
